Subject: Contracts and

Gentlemen:

We are forwarding herewith four (4) copies each of the following invoices for the items shipped on subject contracts:

Invoice No. 16902	16907	16913	16944—
16903	16909	16927	16946
16904	16911	16940	16947
16906	16912	16943	16516—

Where receipted copies of shipping orders were in our possession, a copy of each has been attached to the related invoice. In all other cases receipt of shipment was acknowledged in a telephone conversation with the undersigned on October 22, 1957.

In the case of Shipping Order No. 13522 dated March 7, 1957, shipment was made to Alexandria, Virginia, which we believe to be the correct destination for the RADAN Model PC-210 Flyaway Kit Spare Parts. The shipping document was incorrect in identifying the shipment as "PC-210A FAK." If there is any further assistance that we can render in this matter, we shall be pleased to do so.
